I acknowledge that the therapist is not a physician and does not diagnose illness or disease or any other physical or mental disorder. I clearly understand that massage therapy is not a substitute for a medical examination. It is recommended that I attend my personal physician for any ailments that I may be experiencing. I acknowledge that no assurance or guarantee has been provided to me as to the results of the treatment. I acknowledge that with any treatment there can be risks and those risks have been explained to me and I assume those risks.

I acknowledge and understand that the therapist must be fully aware of my existing medical conditions. I have completed my medical history form as provided by my therapist and disclosed to the therapist all of those medical conditions affecting me. I authorize my therapist to release or obtain information pertaining to my condition(s) and/or treatment to/from my other caregivers or third party payers.

I acknowledge my massage can be halted at the discretion of the Massage Therapist. Reasons for stopping a massage could include, but are not limited to inappropriate conversation or inappropriate contact.

I have read the above noted consent and I have had the opportunity to question the contents and my therapy. By signing this form, I confirm my consent to treatment and intend this consent to cover the treatment discussed with me and such additional treatment as proposed by my therapist from time to time, to deal with my physical condition and for which I have sought treatment.
